

OUTDOORS IN FAMILY WALKS

Want to explore locally but don't know where to go? Do you have family visiting and would like to get outside? Outdoors In can make your exploring and discovering fun! These family friendly walks are just that; activities, nature games and just the right mix of nature interpretation for everyone. We know all the City of Calgary Parks and which ones would be the best for your family. Walks may be available outside of the City as well for an addition charge. These walks are available all year round as there is always something new happening! Nature is waiting for you so give us a call.

Cost: \$10.00 per person for a 1 ½ hour walk
